

One, Two, Buckle My Shoe

Things You Will Need

Nothing

How to Play

Have your students sit in a circle on the floor, take off their shoes and pile them in the middle. Then blindfold 2 or 3 group members at a time, spin them around 3 times and send them in the direction of the shoes. Each person tries to find his or her own shoes first and put them on. Once a person has put on the shoes, he or she may remove the blindfold. Many times the members discover they've put on 2 different shoes! After taking a turn, each member puts his or her shoes back in the pile.
